Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

Airports of Entry

UAFM	Manas International Airport (Scheduled and non-scheduled only)
UAFP	Karakol Airport
UAFO	Osh International Airport
UAFL	Tamchy/Yssyk-Kul (VFR only)

Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Flight Information** for the country at which the technical stop will be made.

Entry/Exit of International flights requires issued permissions (coordination, confirmations, approvals):

- in accordance with conditions indicated in international treaties of the Kyrgyz Republic
- permissions to operate single flights granted by MC ATM of the Kyrgyz Republic or
- approvals legalized through the ministry of Foreign Affairs of the Kyrgyz Republic

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at [/FIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents](#). The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

Entry Requirements (Departing the U.S.)

- File an [eAPIS](#) manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

Passengers –

- Valid passport
- [Visa](#) for some countries

Pilots – Same as passengers

Note: Other pilot/crewmember requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

Aircraft – For customs clearance purposes the pilot-in- command must:

- Present General Declaration
- Present Cargo Manifest completed with bills of parcels
- Present Invoices, specifications and bills, as well as mail waybills and other documentation for the cargo carried to a representative of the customs office
- Indicate and open for inspection all aircraft compartments

Sporting guns and ammunition for these, hunting knives, cameras, cinecameras and radio sets shall be placed in baggage-cargo compartments inaccessible to passengers.

Exit Requirements (Departing Kyrgyzstan)

- Depart from an AOE
- File [eAPIS](#) manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry

Additional Flight Information

Aircraft Instruments and Equipment

U.S. aircraft airworthiness and certification requirements may not meet other countries requirements. It is the responsibility of the pilot to determine if the aircraft meet those requirements.

The items listed below are for pilots' reference to determine if the aircraft meets minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

When operating flights over the territory of the Kyrgyz Republic, the carriage of special equipment is not required. The civil aviation aircraft operating in the airspace of the Kyrgyz Republic shall carry devices and navigation equipment according to the provisions of ICAO Annex 6.

Aircraft shall have the following onboard and flight documents:
